Sponsorship Packages

Whatever your budget, and your requirements, sponsoring the WWRF Huddle is a cost-effective, hassle-free means to successfully promote your activities in the development of the Wireless World. As you will see from the non-exhaustive list of packages described below, opportunities at WWRF events range from the high level platinum package, which offers maximum exposure for your company/organization both leading up to and during the event and includes an exclusive speaking position for your representative, down to lower-cost product-branding opportunities, which are designed to complement or act individually in support of your marketing strategy.

If you have any specific requirements that you feel are not covered by the packages available, then please do not hesitate to get in touch with us. We are always available to help you identify the options that best suit your budget whilst maximizing your value and visibility at the conference, and if necessary, can work with you to create innovative sponsorship packages tailored to the exact needs of you and your organization.

Product Opportunities

As well as the main Sponsorship Packages, there is also a range of product based branding opportunities available. These have been chosen specifically for their ease of production and value beyond the event itself. The list below is by no means exhaustive and we will be happy to work with you to create innovative sponsorship packages tailored to the needs of you and your company.

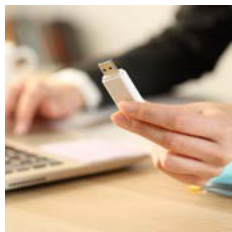

Sponsored lanyards € 1.800 + cost of production

Lanyards are distributed to all delegates on arrival at the event, ensuring high visibility of your brand throughout.

Conference badges € 1.800

All delegates are required to wear their personalised badge on arrival at the venue. Have your company logo on all delegate badges (position as design allows) and remind delegates of your company's input into the event.

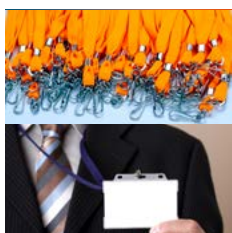

Data Sticks € 1.800 + cost of production

In addition to providing a high value branded product to delegates beyond the event, proceedings can be loaded onto the sticks prior to the event and distributed to delegates on arrival.

Conference Pens and Pads € 1.800 + cost of production

Distributed to all attendees upon arrival, branded pens and pads again offer visibility to you and value to the delegate both during and beyond the event.

Lanyard & Badge € 2.500 + cost of production

Sponsorship of both the lanyards and conference badges can be offered at a combined price.
